**OLD BUSINESS:**

1. **DEQ PERMIT:** Mayor Sturgis reported the town had received an email from Jason Garafalo from Draper Aden that quoted estimates for the back up well at all proposed sites. The Council discussed all options available and compared cost effectiveness and what they felt was in the best interest for the town. After consulting Jack Wescoat, Town Attorney, and discussing best options for financing the well the Council decided to notify Draper Aden of their decision. **The unanimous Consensus of the Town Council was to move the test well at the Water Tower lot.** Councilman Gordon will notify Draper Aden of the decision.
2. **OLD JAILS:** Councilwoman Mulligan presented the letter to the Board of Supervisors requesting a change to the lease making it more achievable. The Council also discussed working with the Northampton Historical Preservation Society (formerly PVA) and their willingness to take on responsibility for some of the work to be done.
